- A. The limit of liability stated in **ITEM 3.** of the Declarations, as applicable to **COVERAGE A**, per **INSURED**, per **OCCURRENCE** is the maximum limit of the Company's liability for any one **INSURED** arising from any one **OCCURRENCE**;

1. In the event of an **OCCURRENCE**, written notice containing particulars sufficient to identify the **INSURED** and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the **INSURED** to the Company or any of its authorized agents as soon as practicable.
2. If **CLAIM** is made or suit is brought against the **INSURED**, the **INSURED** shall immediately forward to the Company every demand, notice, summons or other process received by the **INSURED** or the **INSURED'S** representative.
3. The **INSURED** shall cooperate with the Company and, at the Company's request, consent to being examined and questioned by a representative of the Company, under oath if necessary, attend hearings, depositions and trials and shall assist in effecting settlement, securing and giving evidence, obtaining the attendance of witnesses in the conduct of suits, as well as in the giving of

a written statement or statements to the Company representatives and defense. In the event of a **CLAIM** occurring likely to involve the Company hereunder, the **INSURED** shall not make any payment, assume any liability or incur any expense without the consent of the Company first being obtained. The Company shall have full discretion in the handling of any **CLAIM**, and the **INSURED** shall give full information and assistance as the Company shall reasonably require.

B. Action Against Company

No action shall lie against the Company unless, as a condition precedent, the **INSURED** shall have fully complied with all terms of this policy, or until the amount of the **INSURED'S** obligation to pay shall have been finally determined either by judgment against the **INSURED** after actual trial or by written agreement of the **INSURED**, the claimant, and the Company. Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. Nothing contained in this policy shall give any person or organization any right to join the Company as codefendant in any action against the **INSURED** to determine the **INSURED'S** liability. Bankruptcy or insolvency of the **INSURED** or the **INSURED'S** estate shall not relieve the Company of any of its obligations hereunder.

C. Other Insurance

1. This policy is excess over and shall not contribute with any **EMPLOYER'S**:

- a. Errors and Omissions Liability Insurance; or
- b. Any other valid insurance;

whether collectible or not, including, but not limited to, insurance, coverage or benefits provided by or through the Georgia School Board Association; the National Education Association (or its affiliate, the Georgia Association of Educators); or an **EMPLOYER'S** self-insurance, trust, pool, risk retention group, captive insurance company, or any other insurance plan or agreement of risk assumption.

2. If other insurance is available to the **INSURED** covering a loss or claim also covered by this policy, then this policy shall apply in excess of, and shall not contribute with, such other insurance.

3. As excess insurance over other insurance, the Company will pay only their share of the total sum, after reduction for recoveries, or salvages collectible, that the **INSURED** becomes legally obligated to pay as **DAMAGES** by reason of judgments or settlement entered into with the Company's consent including defense expenses, if the **EMPLOYER'S** Errors and Omissions Liability Insurance specifies that limits are reduced by defense expenses, which exceed the sum of:

- a. The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this policy; and
- b. The total of all deductible and self-insured amounts under all that other insurance.

D. Subrogation

In the event of any payment under this policy, the Company shall be subrogated to all the **INSURED'S** rights of recovery therefor against any person or organization, and the **INSURED** shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The **INSURED** shall do nothing after loss to prejudice such rights.

E. Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the Company from asserting any right under the terms of this policy, nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

F. Cancellation or Nonrenewal

This policy may be canceled by the **POLICYHOLDER** by surrendering the policy to the Company or any of its authorized agents, or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This policy may be canceled by the Company by mailing to the **POLICYHOLDER** at the address shown in this policy, written notice stating when, not less than thirty (30) days for nonpayment of premium, or ninety (90) days for any other valid reason, such cancellation shall be effective. The mailing of notice shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the **POLICY PERIOD**. Delivery of such written notice either by the **POLICYHOLDER** or by the Company shall be equivalent to mailing.

If this policy shall be canceled by the **POLICYHOLDER**, the Company shall retain the customary short rate proportion of the premium hereon. Payment or tender of any unearned premium by the Company shall not be a condition precedent to the effectiveness of cancellation, but such payment shall be made as soon as practicable. If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction thereof, such period shall be deemed to be amended to be equal to the minimum period or limitation of such law.

In the event of cancellation by either the Company or the **POLICYHOLDER**, and with the consent of the Company, the coverage for **INSUREDS** for whom premium has been paid will continue for twelve (12) months following the commencement of their **MEMBERSHIP TERM**.

If the Company elects not to renew this policy at the end of the **POLICY PERIOD**, a written notice of nonrenewal stating the reason for such nonrenewal will be mailed or delivered to the **POLICYHOLDER** at least ninety (90) days before the expiration date of the policy. The notice will be mailed to the last known address of the **POLICYHOLDER**. If notice is mailed, proof of mailing is sufficient proof of notice.

G. Audit

The Deposit Premium shown in **ITEM 5**. of the Declarations is provisional and is based on the number of **INSURED** members at inception. The **POLICYHOLDER** will maintain a record of **INSURED** members as of the end of each month. These records shall be filed with the General Agent shown on **ITEM 1**. of the Declarations and the Company within forty-five (45) days after the end of the **POLICY PERIOD**. At the end of the **POLICY PERIOD**, the number of **INSURED** members as of the end of each quarter will be totaled and divided by four to determine the average number of **INSURED** members for the **POLICY PERIOD** and the premium will be adjusted accordingly. The final premium is subject to a Minimum Earned Premium as shown in **ITEM 5**. of the Declarations.

H. Severability Clause

It is agreed that the application and the Declarations are the basis of this policy and are to be considered as incorporated in and constituting part of the policy. As respects the particulars and statements contained in the application, conditions and the exclusions set forth herein, this policy shall be construed as a separate agreement with each **INSURED**. Nothing in this paragraph shall be construed to increase the Company's maximum liability as set forth in **ITEM 3**. of the Declarations.

I. Sole Agent

By acceptance of this policy, the **POLICYHOLDER** will act on behalf of all **INSUREDS** with respect to:

1. The giving and receiving of notice of **CLAIM(S)** or cancellation;
2. Accepting any endorsement issued to this policy;
3. Paying premium when due; and
4. Receiving return premium.

Each **INSURED** agrees the **POLICYHOLDER** will act on the **INSURED'S** behalf.

The **POLICYHOLDER** is charged with the responsibility of notifying the Company and all **INSUREDS** of any changes that might affect the insurance provided by this policy.

J. Terms of Policy Conformed to Statutes

Terms of this policy which conflict with the statutes of the state wherein this policy is issued are hereby amended to conform to such statutes.
